Dates and classes are subject to change. Registration forms, including class details and costs, are emailed 4 weeks prior to each class. Pre-registration is the only way to guarantee a spot in the class. Pre-payment of class fee is required. Additional training may be added as the year progresses. Any registrations received without payment will be returned. Class minimums may affect the necessity to occasionally cancel a class. Some classes have maximum attendees allowed which at times will cause "Class Full" closings.
