All ratings are supplied by products' manufacturer and are subject to change without notice. Wallwork makes no representation as to the accuracy of this information. In no event will Wallwork be held liable for damages as a result of the use of this data. It is the responsibility of the user to verify ratings with the AHRI Directory of Unitary Equipment located on their Website at: www.ahridirectory.org. Energy Star "Yes" indicates combination meets ES requirements for AC or HP. Energy Star ratings should be verified on the DOE website www.energystar.gov

All ratings are supplied by products' manufacturer and are subject to change without notice. Wallwork makes no representation as to the accuracy of this information. In no event will Wallwork be held liable for damages as a result of the use of this data. It is the responsibility of the user to verify ratings with the AHRI Directory of Unitary Equipment located on their Website at: www.ahridirectory.org. Energy Star "Yes" indicates combination meets ES requirements for AC or HP. Energy Star ratings should be verified on the DOE website www.energystar.gov
